Comment text:

Related subject: Owlpen

The proposal to move the parish of Owlpen over to the Wotton division has clearly not taken into account the long established close relation between Owlpen and Uley parishes. There is a great shared community here that Owlpen does not share with anyone else. The local primary school, shop, pub, and public transport are all in the Uley Parish and shared with Owlpen.

Wotton has no shared connection with Owlpen.

Please reconsider this proposal and let common sense prevail.
