Comment text:

The review has been discussed by Rotherfield Parish Council who wish that the following comments be noted. Mark Cross village is currently in Forest Row ESCC Division - we wish the boundary be amended by the review so that it is included in Wadhurst Division, the same Division as Rotherfield Village. Mark Cross village is currently in Frant/Withyham Ward of WDC - we wish the boundary be amended by the review so that it is included in Rotherfield Ward, the same Ward as Rotherfield Village. Unfortunately the "draw line" facility on your website will not function therefore I cannot mark on the map where the new boundary should go.
