

Hastings District

Personal Details:

Name: ken davis
E-mail: [REDACTED]
Postcode: [REDACTED]
Organisation Name: past systems

Comment text:

For goodness sake get over this absurd situation where we have Rother wrapping round Hastings and make 1066 Country a Unitary Authority with status to grow to become a sustainable city '2066 City'. This will not only reduce operational costs for the authority but make it much easier to co-ordinate expansion/more housing for the area (town and country).
