Comment text:

I write as a member of Wingrave with Rowsham Parish Council. Our current Wing Ward makes no sense, either geographically or in any other way. It is not possible to traverse without a car, or motor bike, and finding a central location to meet is difficult. It would make more sense for the villages between Aylesbury and Leighton Buzzard to be in a Ward - Wing, Cheddington, Mentmore, Aston Abbots, Cublington, Bierton, possibly Marsworth and Ivinghoe. We are concerned that reducing the number of elected representatives might deprive us of the information and advice they bring to our Parish Council deliberations. We usually get one Councillor, often 2, at our monthly meetings and their input is invaluable. If there are fewer their time will be more stretched and we may lose this.
