

CHELTENHAM

November 2022

Currently there are:

- 40 councillors
- 20 wards
- Two councillors per ward

We are proposing:

- 40 councillors
- 20 wards
- Two councillors per ward

A public consultation is open until
9 January 2023

We aim to make sure Cheltenham
councillors represent a similar
number of electors

Currently there is:

- 1 ward that is more than 10% away from the average number of electors per ward

Our proposals mean that:

- No wards will be more than 10% away from the average number of electors per ward
- Each councillor will represent an average of 2,387 electors
