Comment text:

The proposed boundary between Meon and Avenue will spilt the village of Catisfield in two. Catisfield Village has existed for over 800 years, and is of great historic importance. Whilst being part of Fareham, it is still very much a village, and has a dedicated association 'The Catisfield Village Association' emphasising the importance of Catisfield as it's own entity. There are many events and get togethers, for the whole village, and splitting this in two with a new ward boundary, will divide a community that is nearly a century old. Please reconsider this proposal, and extend the Meon boundary to include the whole of Catisfield.
