Dear Sirs

.I have resided for sixty years with my wife [REDACTED] our home within the precincts of the historical Old Town [REDACTED].
Because of decisions unknowingly taken to ourselves and to neighbours at large ,and still beyond our own comprehension , the Old Town is currently divided into two, with the area south of the M40 actually lying in Gerrards Cross Ward and purportedly represented by Gerrards Cross councillors .How on earth could this happen?

At election time on May 5th last year, we attended our voting station armed with the published information we'd obtained about 10 candidates featuring on a printed list entitled 'Buckinghamshire Local Election : Beaconsfield Ward .'To our utter amazement ,we were told by the officers on duty that this list had been of no use to us, bring totally irrelevant to our domicile.

We were given there and then some other names ,strangers about whom we knew nought , who were standing as candidates in Gerrards Cross and had been assigned supposed responsibility for our part of Old Town Beaconsfield . Thereupon our outing became pointless , as it was for others coming to vote.

Might I use my single vote to oppose vigorously the proposal to divide the Old Town into two .It separates -no less- the Parish church of St Mary's , the Rugby Club, Cricket Club. the Market and half the conservation area from the rest of the town . . Let's return to the status quo of Beaconsfield Town as an integrated whole of locally governing parts

Yours Sincerely, [REDACTED]
