Comment text:

In relation to boundary considerations – concerning Beaconsfield, I would like to see all of the Old Town included with the rest of Beaconsfield, rather than (as currently) part of the Old Town, south of the A40, forming part of the Gerrards Cross ward. I would also like to see all of the Seeleys estate, Sandelswood estate and Knotty Green part of the same ward as Beaconsfield. I would also like to say that any reduction in number of councillors needs to be handled with care in order to ensure councillors have sufficient time to focus on matters concerning the town, its people and infrastructure.
