Subject: Local Council Ward Consultation - Beaconsfield

Categories: Simon, Submissions

Dear Sirs,

I wish to make the following comments in respect of the proposed Boundary of the Beaconsfield Ward:

1. Currently the Old Town is divided in two, with the area south of the A40 actually lying in the Gerrards Cross Ward and represented by Gerrards Cross Councillors. It would make much more sense for the WHOLE of the Old Town including together with Wilton Park and the area between the new bypass and the A355 to be included with the rest of Beaconsfield in a single Ward.
2. In a similar vein it would be preferable for the current ward boundary line running across Seeleys Estate/Penn Road/Disraeli Park to be moved so that the whole of Seeleys Estate, Sandelswood Estate and Knotty Green form part of the same Beaconsfield Ward as these areas are currently represented by Penn Councillors.

Surely the opportunity must be taken for the "Whole of Beaconsfield " to be included in a single Ward.
