At present Farnham Royal Parish ward is divided into Divisions Stoke Poges and Beeches ward. Which is quite confusing for the residents of Farnham Royal. This is illogical and confusing. Every one south of the Emperor Pub, on the boundary between Farnham Common and Farnham Royal, is in Stoke Poges Ward. Do Stoke Poges Councillors even know where we are. Do we know their Parish Council or Councillors, or their Unitary Authority Councillors like we know Dev Dhillon? So the whole of Farnham Royal is in Stoke Poges. It makes no sense. It should be part of the whole Parish which encompasses Farnham Common and Farnham Rpyal
