The proposal divides the Old Town of Beaconsfield into two and separates the parish church of St. Mary's, the Rugby Club, Cricket Club, Market and half the Conservation Area from the rest of the town. Parliamentary Constituency Boundaries - affects which MP candidates you can vote for

Confusingly, the Boundary Commission is also currently consulting on where the parliamentary constituency boundary should be. The proposal is that Beaconsfield north of the A40 (so not all of the Old Town or Wilton Park) should join the Chesham and Amersham Parliamentary Constituency. Again, this would split parts of the Old Town and Wilton Park off from the rest of the Town and the town would have split constituents.. I wish to see the town unified into the new constituency so that the Old Town is not divided into two and ALL of Beaconsfield including the whole of Seeleys estate, Sandelswood estate and Knotty Green are included in the same new constituency.
