"Marlow South East" should be merged with "Marlow" to improve accountability to all people in the town. Larger wards exist in the vicinity, e.g. Abbey and Ryemead & Micklefield, so there is a precedent to have a ward with an electorate above 9,000-10,000 and only 3 councillors. To balance numbers in the remaining Flackwell Heath & Little Marlow ward, it could be considered to e.g. add Marlow Bottom to it (out of Chiltern Villages) or Loudwater (with Tylers Green joined with Hazlemere)
