Dear Sir or Madam,

With regard to the proposed boundary changes we would like to say that we think that Beaconsfield Old Town and New Town should be completely merged into one ward instead of the far end of Penn Road around Seeley's Road and Forty Green Road, Knotty Green falling over the boundary into the Penn ward. We have already seen the effect of this on the lack of road maintenance at our end. Out of sight, out of mind seems to be the prevailing view as other roads around here get resurfaced but we are ignored. We are not Penn but definitely part of Beaconsfield and should be considered as such in any boundary changes.

Thank you for your attention.
