Comment text:

I want all of Old Beaconsfield and New Beaconsfield to be within the same electoral boundary, not split as in the current proposal. It makes no sense to separate parts of the town from each other. They should be unified. I would also like Knotty Green to be part of the Beaconsfield ward as it is much more aligned with Beaconsfield than with Penn. I used to live in Knotty Green and it made no sense to be part of Penn.
