### Comment text:

I agree that the number of Bucks Councillors should be reduced to 98. Electoral boundaries should wherever possible should be based on parish or town council boundaries which facilitate and encourage community cohesion. All of Beaconsfield Old Town should be included with the rest of Beaconsfield in one ward rather than being included in the Gerrards Cross ward. This would avoid separating the parish church (St Mary's), the rugby club , weekly market and half the conservation area from the rest of Beaconsfield. If the numbers of electors to councillors doesn't work in this solution, the rest of the Seeleys Estate, Sandleswood Estate and Knotty Green (currently part of Penn parish and represented by Penn Councillors) ward should be considered for inclusion in the Beaconsfield ward. Many of the above residents identify with the Beaconsfield community.
