Comment text:

The proposal divides the Old Town into two and separates the parish church of St. Mary’s, the Rugby Club, Cricket Club, Market and half the Conservation Area from the rest of the area. The Old town and new town are part of the community and form the wider make up of Beaconsfield and should have consistency in decision making, representation and policy making. Splitting the boundaries would create inconsistencies and confusion for the residents when travelling, using the facilities and amenities and living in the associated areas.
