Comment text:

I live in the Priory Park area of the ParkGate ward. This area seems to be tacked onto the base of the ParkGate ward as an after thought. The roads leading off from Coltsfoot Drive and Upper Brook drive should be part of the LocksHeath ward, the local services used by the residents are within the LocksHeath ward and the access road and pathways interlink the area with LocksHeath more than Parkgate. My postal address is LocksHeath and I have always considered myself a resident of LocksHeath rather than Parkgate.
