I would suggest that South Ward should take in the area south of the railway line to the boundary with Hoeford. and Longfield Avenue and take in the southern part of the Avenue in West Ward to its boundary with Titchfield Road. Rename as South West. Northern part of West from the Avenue to go into North West .and part of North rename as North. Split North from Gudge Heath Lane and add to the northern part of East rename as North East. Alternately create a Central Fareham ward. take away all roads south and east of the Leisure Centre include Osborn Road, all roads south of west street to the railway line including High Street, East Street, and Bath Lane area roads. Take from Fareham East.
