

Fareham Borough Council

Personal Details:

Organisation Name:

Comment text:

Whiteley isn't even mentioned on the map. It shares its area with Winchester causing a great deal of confusion, statistics become skewed and no services are provided for the elderly who are trapped unable to bus to Fareham Hospital, Portsmouth or Southampton. The taxis are frequently unavailable even trying to prebook them, buses are hopeless. More elderly, non drivers are moving into Whiteley, it needs to be viewed as a whole.
