

## Fareham Borough Council

### Personal Details:

### Organisation Name:

### Comment text:

We live in Rockingham Way, Portchester. We moved to this area because the name is a combination of where my husband is from (Portsmouth) and where I'm from (Manchester) which makes it special. I'm devastated that under this proposal we are no longer within the ward of 'Portchester'.

😞 Please don't mess with our ward.
