Organisation Name: Thornton Parish Meeting

Comment text:

The current boundaries have Thornton Parish in Winslow Ward rather than Buckingham East Ward. Traditionally Thornton Parish has been associated with Buckingham through the previous Local area Forum and also has strong connections and working relationships with neighbouring Thornborough Parish, which is in the Buckingham Ward. We have never had dealings with Winslow. Thornton also borders the River Ouse and suffers from the flooding issues that also blight Buckingham and many parishes in the Buckingham East Ward. These were the arguments we made for Thornton Parish Meeting to be successfully transferred from the Winslow and Villages Community Board to the Buckingham and Villages Community Board. We strongly urge that Thornton Parish be part of Buckingham East so as to maintain these well-established local relationships.
