At your teams meeting last week you asked for information about communities. I live in the Valley ward which will obviously need some change to fit into the criteria of Equality. When we moved to Backworth in 1980 we discovered a community built around 3 areas, Castle Park, Backworth and Moorside. If you are going to redraw the boundaries I think it would be beneficial to keep these 3 areas together in one ward as we think it is still a recognized community . It would also give residents a say with the Council in their primary school, local shops and a Metro Station. I have attached a picture of the areas taken from your boundary map (sorry I am not a computer whizz and have not been able to trim the area, but if you just look at the Valley ward part you should get the idea). Thank you.
