

## North Tyneside Borough Council

### Personal Details:

**Name:**

**E-mail:**

**Postcode:**

**Organisation Name:**

A large black rectangular box redacting the personal details of the user.

### Comment text:

I live in Wideopen which has grown massively and is in my opinion over-populated. We have very little amenities in our area, we are no where near Killingworth and should sit separately to Killingworth in a new ward with a councillor who can speak for Wideopen, Seaton Burn, Hazlerigg and Brunswick. We can then see more for our area.
