I find it very difficult to understand that the boundary for North Tyneside and Northumberland follows the line of the Holywell Dene river from Seaton Sluice but then diverts away from the line of the Dene to exclude my property at [REDACTED], NE27 [REDACTED]. I have struggled for years to access school places for my children as my current council at Northumberland struggle to understand how I am within their boundary, and yet my postcode will be accepted on the North Tyneside School Application website. My only route in and out of my address is via the road past my nearest neighbour at NE27 [REDACTED] who are within North Tyneside Valley ward. Would it not make more sense to include my property to fall within this boundary?
