Organisation Name:

Comment text:

Area of lower Verne Road (up to Heaton Terrace) and Addington Crescent should be included in the Preston Ward. Road improvement works at Billy Mill and Queen Alexandra Road areas are more likely to be of impact to this area than any improvements undertaken towards the far-west of the Chirton Ward. New housing developments in the west of the current Chirton Ward have also increased population footprint, compared to Preston Ward which is currently has and forecasts smaller electorate. Schools, cemetery grounds and facilities/shopping areas in the Preston Ward (Hawkeys Lane/junction of Queen Alexandra Road) are also closely shared with this community.
