

## Brentwood Borough Council

### Personal Details:

### Comment text:

I would prefer that Ingatestone & Fryerning reverted to being one Ward with two Councillors and that Mountnessing should remain as itself with one or two councillors. It has been the case for some years now that the representatives for the joint Ward only has Councillors who live in Ingatestone & Fryerning which is not to the benefit of Mountnessing. Ingatestone & Fryerning have distinct planning issues not linked to Mountnessing.
