Subject: No democracy for Paddock Wood

Categories: Submissions, Matt

Dear sir/madam

If we are truly living in a democratic society & you are supposed to be our elected representatives how can you allow Paddock Wood West to disappear? At the time you are allowing thousands of new homes to be built in Paddock Wood how can you take away the rights of both new and existing residents ? How are we not getting more counsellor?

I look forward to a reply to my email explaining your reasoning & motivation.

Regards
