Rusthall is a compact Parish with a thriving High Street....something a Tunbridge Wells Councillor would not understand. It has an excellent primary school and a great sense of community both Church run and independently. It has an active Village Association that aligns perfectly with its Parish Council. The population is evenly split demographically hence recent splits in political allegiances. I am sure BORIS would love to mess this up in line with the rest of the country...FOR GODS SAKE STOP THIS MADMAN
