### Comment text:

Though I am pleased Iona Close is becoming a part of the St Nicks ward, which completely makes sense. What doesn't make any sense is to not include Guildford Close. Surely the boundary cut off being the Great Ashby main road? If I walk 4 steps from my door I go from Iona to Guildford. Also my next door neighbour is a Guildford resident. Hopefully The Great Ashby main road will be the dividing line as those of us who live in Iona Close and Guildford Close feel more associated with St Nicholas than the ward we currently are part of, especially as our local shops, doctors and Community centre is all allocated in St Nicks.
