We are not happy with the new ward boundaries proposal across Stevenage, particularly Pin Green - Old Town. This is a terrible decision, everything works well in the borough as it is. We moved from Pin Green to Old Town location several years ago and we are very happy to be part of the old town community. This move also cost us over £100K and I believe expanding the Pin Green ward in to the Old Town boundaries will reduce property prices in the Old town. The change will not make any difference to councillors etc, you will still have the same amount of wards, so why upset residents for no reason. I hope this does not go ahead.
