I strongly disagree with the proposed changes to ward boundaries. The Old Town and Pin Green are complete different. The Old Town with its traditional streets, housing style and ethos it is the complete opposite of the pin Green which has New town style with pedestrian walkways, parks back to front housing. Both requiring different management of its structure. It would have a detrimental effect on catchment areas for local services, doctors and school catchment areas. The house prices in the Old Town price would also be negative effected. I see no reason to change the existing boundary.
