Wymans Brook should be one ward, either part of Prestbury or on its own. Current split is ridiculous. Also Wymans Brook should be under CHELTENHAM , not Tewkesbury. Only 1.5 miles from town and pay Council tax to Cheltenham, so should be completely under Cheltenham. 40 Councillors are far too many. Money spent on them should be spent on pavements in Wymans Brook, which are appalling and smartened up our dull town. My e mail is correct!!!
