Comment text:

Move polling district HCA6 from Hertford Castle into Bengoe ward, changing the ward boundary to run along the rivers Lea and Mimram and the railway, as a strong boundary rather than North Road. HCA6 residents have strong links, including schools, sports and arts facilities with Bengoe residents. Move north west corner of Hertford Bengoe ward boundary to include the community east of the river Beane at Waterford, to follow the river Beane as a new boundary. Residents here have many links with Bengoe. Move western boundary of Hertford Kingsmead into Castle ward to include Beechwood Cose, Copperwood and The Spinney.
