Subject: Boundary Changes Consultation East Herts

Categories: Submissions, Nicole

Dear Sir/Madam,

As a resident living in Great Amwell, I would like to make the following comments on the proposed changes in the above consultation.

I note, it is proposed Great Amwell should be merged into the area of Hoddesdon, which is to the south of where I live. Great Amwell as a community has always had more links to Ware to the North. It is Ware that is included in my address. Great Amwell is more of a rural area whilst Hoddesdon is more urban.

I see from the paper that Great Amwell has too few electors for it's own electoral ward. I can see the point of boundary changes to facilitate greater equality in numbers between wards, but would suggest it should be paired with either areas South of Ware or Hertford Heath. we have greater links with these areas than Hoddesdon.

I trust these views will be taken into account.

Yours faithfully,
