

STEVENAGE

NEW ELECTORAL ARRANGEMENTS

May 2022

Currently there are:

- 39 councillors
- 13 wards
- 3 councillors per ward

We are proposing:

- 39 councillors
- 13 wards
- 3 councillors per ward

A public consultation is open until
8 August 2022

We aim to make sure Stevenage
councillors represent a similar
number of electors

Currently there are:

- Four wards that are more than 10% away from the average number of electors per ward
- One ward that is more than 25% away from the average

Our proposals mean that:

- No wards will be more than 10% away from the average number of electors per ward
- Each councillor will represent an average of 1,807 electors
