The border of Himley road needs to be extended slightly up the Himley rd to cover the area at the bottom of High Arcal road, by approximately 100 metres. This part of the Himley road comes under Gornal Wood and is not covered by Dudley Council, it comes under South Staffs but is neglected as it lies on the Dudley border slightly. Litter is horrendous including toilets, beer cans etc etc. I have e mailed South Staffs but to no avail as it is "on the border" so is totally neglected by South Staffs local authority 😞. To extend the border by just 200 metres would bring in a wonderful landmark Public House ie the Crooked House, to the South Staffs border and could have potential for tourism to the area! Thus potentially bringing in £ for the council to clear up the litter!
