### Comment text:

To my mind, it would more sense to have similar areas together. E.G. pattingham and patsull with very rural nearby areas in the "dogleg" of S. Staffs such as Trysull rather than linking with the likes of much larger more urban villages of greater size with different concerns and characters ie. Perton. Character, long rural history etc are important and will only be diluted and diminished otherwise. Where is the pride in that?
