### Comment text:

I would be very worried about Pattingham and Patshull being joined into Perton. Pattingham is a rural area and has different needs to a semi rural area such as Perton. I would worry we would be underrepresented and as such things that are important to our micro area would be overlooked. Councillor Mason has an idea where we could add Perton Ridge and down to Trescott to increase our numbers which would be more representative of the majority of people living here.
