Subject: Re arrangement of wards in South Staffordshire
Categories: Submissions

From what I can understand you are interested in whether the proposed changes in my area Cheslyn Hay/Great Wyrley should be called either Cheslyn Hay Town or Great Wyrley Town ward.

Having lived in Cheslyn Hay for the last 52 years I would obviously choose the title Cheslyn Hay Ward.

When we first moved into the area in 1969. Great Wyrley was the larger village and the only medical surgery was in GW.

Since then however with a number of new housing developments that have grown up in CH and people moving from Walsall, Birmingham, Wolverhampton and Cannock areas This due to house prices being lower than the local cities and towns and more accessible transport routes thus giving us more Medical surgeries in CH with many professional people moving into Cheslyn Hay.

Kind regards
