Comment text:

I wish to comment upon the new pattern of wards to accommodate 41 councillors. I strongly believe that Great Saredon and Saredon in general should be paired with Hatherton. We are in such close proximity to each other and share many issues such as fly tipping, litter picking, speeding, hedge cutting etc.. We work closely with Calf Heath village and Hatherton Parish Council as we share local Lanes, and many more issues. We have a wonderful village community and separating the boundaries even further serves no purpose. We would like to be closer together to deal with the issues we already experience.
