LFE is currently in a joint ward with Kirby Muxloe. Kirby and LFE are very different in the general make-up of their respective communities. Kirby has severed most links to LFE both from a parish council and now from a church perspective. LFE has, what will become a substantial sustainable urban development (Lubbesthorpe) on its boundary and there appear to be more links/potential future links between residents of these two communities (LFE and Lubbesthorpe) than the remote link between Enderby and Lubbesthorpe). I would propose that a new 'ward' of Leicester Forest East and Lubbesthorpe be created.
