My wife and I wish to support the detailed submission by the Blaby District Conservative Councillors Group after the special meeting held on 27th October. We approve the reasons in the report that support the details regarding what's best for the District in view of the fact that they represent their ward members as a local community, live in the ward, are knowledgeable about their area in particular they live or work in and use the local community recreational facilities meeting members of the community plus organisations. We also agree that retaining some historical names to the wards is a good thing as a matter of retaining our local historical parts of the District.
