Pinehill Road should stay with Crowthorne. It is very much part of that village and residents will do all of their local business in Crowthorne not Owlsmoor. By being represented not though a Crowthorne counsellor it will affect our right to have a say about our local area where we spend more time. The majority of residents drive and there is no way, by car, to the main village of Owlsmoor without going through Crowthorne. When going by foot residents of Pinehill Road will visit Crowthorne, not trek through the woods to services in Owlsmoor.
