Annotation 1: Boundry line for College Town

Comment text:

The boundry line for College Town to Central Sandhurst should run along Owlsmoor Road and not have the indentation of Avoicet Cresent and the closes and houses off this road. This would bring it inline with nearby roads as the issues affecting college town can be quite distinct from the rest of Central sandhurst. Town councillors for central sandhurst rarely come to us as they don't view it as part of their ward so we are neglected.
