I agree with the further changes to those already proposed by the Boundary Commission for Dunston ward. I am aware others have suggested the ward be renamed Dunston and Newbold due to its annexation of Pevensey Estate and Dukes Drive which identify with Newbold. I disagree. The Newbold area extends across the existing ward boundary between Brockwell and Dunston. To add the word Newbold to the name of either one or both of the newly constituted wards (each containing separate parts of the Newbold area) would be confusing, unnecessary and possibly contested.
