

Malvern Hills District Council

Personal Details:

Name: Robin Tomkins
E-mail: [REDACTED]
Postcode: [REDACTED]
Organisation Name: Earls Croome parish council

Comment text:

I believe the council boundaries should remain where they are presently. Making areas bigger in size will only slow down all processes from planning to road maintenance. Progress is already very slow and complicated and to expect councillors to operate greater areas will be less effective and in some cases not happen at all.
