Comment text:

I am resident of Ketley and a ward councillor for many years and representing Ketley and Overdale ward at the present movement. Ketley has close identification with Overdale than Ketley bank. Oakengates is market town and residents from all surrounding areas visit the Oakengates for shopping, Doctors and leisure activities but Ketley bank is shares the border with Oakengates. So I think that Ketley Bank should pair with Oakengates and Ketley with Overdale to make Ketley and Overdale 2 member ward.
