### Comment text:

I am the Conservative Ward Member for the Wrockwardine Ward. My Group is making an agreed combined submission with regard to the ward boundaries for the whole of the Telford & Wrekin Borough area. However, I would like to make a comment in relation to the name of my Wrockwardine Ward and that of Wrockwardine Wood and Trench Ward. Over the years there has been constant confusion by both residents and officers alike between Wrockwardine Ward and Wrockwardine Wood. While the Wrockwardine Ward is dominated by Wrockwardine Village and the Wrockwardine Parish Council area compared to its other components, I believe parts of Wrockwardine Wood are covered in other wards. I would very much like to see the name of this ward changed even if it was to just become Trench and Wrockwardine Wood.
