

LANCASTER CITY COUNCIL

September 2021

NEW ELECTORAL ARRANGEMENTS

Currently there are:

- 60 councillors
- 27 wards
- 12 three-councillor wards, nine two-councillor wards, six one-councillor wards

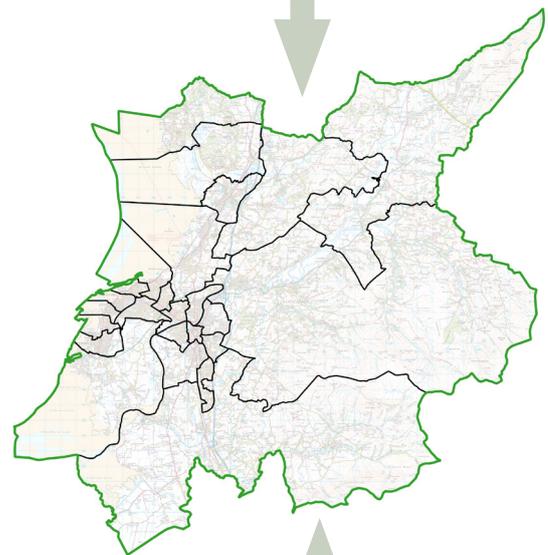

We are proposing:

- 60 councillors
- 25 wards
- 15 three-councillor wards, five two-councillor wards and five single-councillor wards

A public consultation is open until
23 November 2021

We aim to make sure Lancaster
councillors represent a similar
number of electors

Currently there are:

- Eight wards that are more than 10% away from the average number of electors per ward
- Two wards that are more than 30% away from the average

Our proposals mean that:

- One ward will be more than 10% away from the average number of electors per ward
- Each councillor will represent an average of 1,879 electors
