

FENLAND

March 2022

Currently there are:

- 39 councillors
- 24 wards
- Four three-councillor wards, seven two-councillor wards, & 13 one-councillor wards

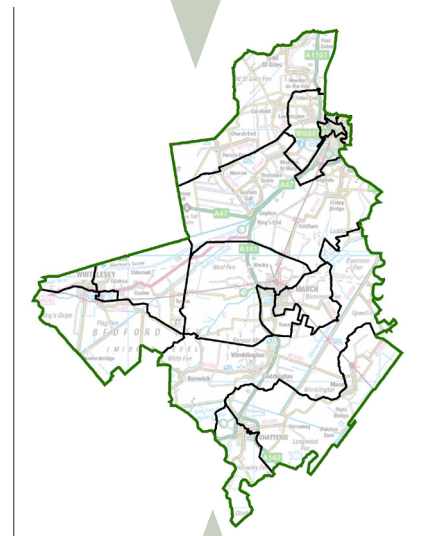

We are proposing:

- 42 councillors
- 17 wards
- 10 three-councillor wards, five two-councillor wards, & two one-councillor wards

A public consultation is open until
6 June 2022

We aim to make sure Fenland
councillors represent a similar
number of electors

Currently there are:

- Five wards that are more than 10% away from the average number of electors per ward

Our proposals mean that:

- No wards will be more than 10% away from the average number of electors per ward
- Each councillor will represent an average of 2,046 electors
